

October 8	
9:00 – 9:30	Welcome coffee
9:30 – 10:15	Introduction to the school & icebreaker activity
10:15 – 11:15	Systematic literature review: Protocol, methods and reporting (1) Sho Tsuji, French National Centre for Scientific Research
11:15 – 11:30	Break
11:30 – 12:30	Systematic literature review: Protocol, methods and reporting (2) Sho Tsuji, French National Centre for Scientific Research
12:30 – 1:30	lunch break
1:30 – 3:00	Meta-analysis: Introduction, effect sizes, bias, robustness, and interpretation of results (1) Theodoros Evrenoglou, University of Freiburg
3:00 – 3:15	Break
3:15 – 4:45	Meta-analysis: Introduction, effect sizes, bias, robustness, and interpretation of results (2) Theodoros Evrenoglou, University of Freiburg
4:45 – 5:30	Preparation of mini-project sessions 1 & 2

October 9	
9:00 – 10:30	Mini-project (1)
10:30 – 10:45	Break
10:45 – 12:15	Mini-project (2)
12:15 – 1:15	Lunch break
1:15 – 2:45	Introduction to Bayesian statistics and Bayesian meta-analysis (1) Christian Röver, University Medical Center Göttingen
2:45 – 3:00	Break
3:00 – 4:30	Introduction to Bayesian statistics and Bayesian meta-analysis (2) Christian Röver, University Medical Center Göttingen
4:30 – 5:00	Preparation of mini-project sessions 3, 4 & 5

Social event

Starting at 5:30 on October 9th

Special visit to the "Le Fresnoy" (<https://www.lefresnoy.net/en/>)

Cocktail at Le Platea restaurant (located in "Le Fresnoy")

For those interested, continue the evening by visiting FIESTARAMA

<https://www.lefresnoy.net/evenements/fiestarama/>

October 10	
9:00 – 10:30	Mini-project (3)
10:30 – 10:45	Break
10:45 – 12:15	Mini-project (4)
12:15 – 1:15	Lunch break
1:15 – 2:15	Mini-project (5)
2:15 – 3:45	Other key topics: Open science, meta-analysis publication standards, etc. Sho Tsuji
3:45 – 4:00	Conclusion
